

Theo King

I am an individual with a thirst for making an impact, and believe that design is the tool that empowers this. I thrive upon the challenge of finding new and different solutions, often by viewing a 'problem' from a new perspective and seeing fresh possibilities.

Education

Loughborough University

*BA Industrial Design & Technology

Experience

PA Consulting

07.18 - Present

Industrial Design Consultant

Forming an integral part of a multidisciplinary team working to generating innovative products and services to meet the needs of a range of clients and sectors, including healthcare, consumer, energy and transport.

PDD Group

07.16 - 07.17

Product Design Intern

Working the full range of the design process from brand DNA development, ID concept proposals, low & high fidelity model making, CAD design to manufacturing liaison, sample testing and revision control.

LSU Media

05.15 - 07.16

Head of Design

Apart of the student leadership team, organising a group of creative volunteers and being the link between the editors and the illustrators to produce a high quality fully fleshed out publication each term for print.

Next Retail

10.12 - 09.15

Team Leader

Working individually and within a team to provide professional, personalised and efficient service to a diverse group of customers. My role included leadership, new recruit training and administrative duties.

Thomas Deacon

01.13 - 09.14

Contracted Videographer

Producing video content on the re-launched website. My role was to produce eight videos within a strict time frame, that depicted the views and aims of the senior leadership and vibe of the student community.

Recognition

O2

07.16

Connecting People UX Concept

Working within a team to pitch and develop a digital concept to empower student entrepreneurs through a crowd-sourcing platform where their skills can be exchanged into funds for their business ideas.

World Star

04.16

Disruptive Consumer Packaging

As a commended award winner in the Star Pack Award, I was entered in to the exclusive World Star Award. An international competition where all the national award winners get to compete.

LUDT

06.16

Overall Design Excellence

Being selected and awarded the prestigious title in recognition of my outstanding contributions during my first year studying at the Loughborough Design School.

Side Projects

Beyond Food

08.18

Project Lead

Leading an internal design team to speculate on the future of food consumption in the home. Utilising service design principles to develop and present a concept at the Disruptive Design Summit in London.

OS 3D Printer

01.16 - Present

Community Contributor

Playing an active role within an online community of tinkers to develop parts for an open-source FDM 3D printer. Sharing knowledge, skills and expertise to lower the bar of entry to 3D printing in the home.
